Chipola FACC Chapter awards seven scholarships from concession stand revenues

Concession stands at Chipola athletic events are managed by the Chipola Chapter of the Florida Association of Community Colleges and manned by employee volunteers.

Concession stand proceeds are divided equally between the athletic program and the FACC chapter. The chapter uses a portion of its proceeds to create scholarships for employees' children, spouses and themselves.

The Chipola College Chap-

ter of the Florida Association of Community Colleges awarded 4 scholarships worth over \$8,000 to Chipola students in Fall 2007.

Chipola's FACC scholarship program was named best in the state by the state organization.

Chipola's FACC endowment has grown to over \$150,000. FACC has awarded more than \$50,000 in scholarships since 1995.

The Chipola chapter raises funds for its endowment through

concession sales at Chipola athletic events, a silent auction and other fundraising events.

FACC is a statewide organization open to all employees, retirees and trustees of Florida's 28 public community colleges. FACC provides professional development opportunities for its members, and represents the interests of community colleges before the Florida Legislature.
