Baccalaureate Degree Programs at Chipola

Bachelor of Science in Elementary Education

Bachelor of Science in Exceptional Student Education

Bachelor of Science in Mathematics Education (6-12)

Bachelor of Science in Middle School Mathematics Education (5-9)

Bachelor of Science in Biology Education (6-12)

Bachelor of Science in Middle School Science Education (5-9)

Chipola College's Education degrees are designed to prepare students to teach elementary education, exceptional student education, and math or science in middle or high school settings. All graduates from these programs will be state certified. If you are interested in becoming a teacher and making a difference in someone's life, inquire about Chipola's student-centered environment, small classes, full-time teaching faculty, local internship experiences, and Beall Tuition Scholarships. Contact Dr. Lou Cleveland at (850) 718-2416 or clevelandl@chipola.edu for information.

Bachelor of Science in Nursing

Chipola College's BS degree in Nursing is designed for individuals who have earned the AS degree in Nursing, are licensed Registered Nurses, and have completed all required prerequisite courses. Contact Dr. Kitty Myers at (850) 718-2276 or myersk@chipola.edu for information.

Bachelor of Applied Science in Business Management

Chipola College's BAS degree in Business Management is designed to expand students' understanding of business administration and prepare them for a broad range of business careers. The three business tracks offered include Supervision and Management, Accounting, and General Management. Contact Dr. Adair Gilbert at (850) 718-2413 or gilberta@chipola.edu for information.

For information about each of Chipola's four-year programs call the Baccalaureate Hotline (850) 718-2492 or contact Dr. Kitty Myers at myersk@chipola.edu or (850) 718-2276. Students should also complete the online survey at www.chipola.edu and click on Bachelor Degree Programs.

The University Center @ Chipola College

Chipola's University Center, in cooperation with several universities, provides access to bachelor's and graduate degrees on Chipola's campus and assists students in their efforts to pursue those degrees. University personnel teach all of the classes and the universities award the degrees. University Center programs provide students with a rigorous university experience in the supportive, student-centered atmosphere to which Chipola students are accustomed. University Center students have access to Chipola's computer labs, library, and other facilities.

The following programs will be offered in 2008-2009. Visit www.chipola.edu/university_center or call (850) 718-2276.

Florida State University Panama City Campus

Check the Chipola-University Center website for future offers.
