WORKFORCE DEVELOPMENT

To enter a Workforce Development certificate program or class, contact the instructor by calling (850) 718-2270. Several programs do not require a high school diploma. You may attend classes full or part-time or during the evenings. For program and course descriptions, see the catalog. With the exception of Cosmetology, programs listed here are self-paced, open-entry/open-exit courses. This means that you may enter a program any time during the year that space is available. When you complete all the required course work and competencies and are recommended by your instructor, you will be awarded your certificate, whether or not you have

completed the total average number of clock hours listed for the program. State rules require all students entering WFD programs to take the Test of Adult Basic Education (TABE). Depending upon your scores, you may spend part of your time working in the Success Center to improve your basic skills. Cosmetology and Public Service have limited enrollments, so you must make arrangements to enter them months in advance. Also, Public Service has special entrance requirements, grading systems, attendance policies and dress codes.
