## Entrance Requirements

FSU WILL DENY ADMISSION TO ANY STUDENT WHO HAS NOT SATISFIED THE STATE FOREIGN LANGUAGE REQUIREMENT.

FSU requires competency in oral communications for graduation. If students took a speech course in high school or were members of a debate team, they may exempt this requirement during the FSU admissions process. If not, students should take SPC 2608 at Chipola to satisfy this requirement.

All new main campus undergraduate students who enter the School of Information Studies are required to provide their own laptop computer and appropriate software. Specific information may be found on the FSU website at: <http://slis.fsu.edu/students/>.
