

MICROSOFT

CYBERSECURITY SCHOLARSHIP

Microsoft and Last Mile Education Fund are providing a one-time \$500 assistance boost for community college students pursuing cybersecurity and other technology-adjacent programs. This funding can help with certification fees, tuition, books, groceries, laptops, or utility bills. There is no GPA essay or repayment needed!

COMPETITION DETAILS

- **Timeline:** Monday March 3rd – Friday March 28th
- **Goal:** Have the most amount submitted applications in the listed timeframe
- **Student eligibility:** All eligibility requirements can be found on the scholarship webpage
- **Incentive:** The top 3 schools with the most student applications will win a prize

ADDITIONAL PERKS!

- Free 1-Year LinkedIn Premium Subscription
- Free membership to Global Mentors Initiative
- Free Github Global Campus Student Developer Tools

ELIGIBILITY

- U.S. residents currently enrolled in a cybersecurity or technology related program at a two-year institution, such as a community college or technical school.
- Students able to demonstrate financial need by providing proof of Pell Grant eligibility or financial aid award letters.

YOUR **JOURNEY**
BEGINS TODAY!

"Thank you Last Mile Fund, when no one was there to help me, and when I thought all hope was lost, you did not let me fail. Thank you again for your support and always cheering us on!"
